

Better Service. Lower Price. No Worries.

Why spend over \$100 an hour for someone to manage your server???
When you can have a managed server for \$1 an hour?

- Do you want to be in the technology business?
- Do you want to manage your own IT?
- Shouldn't you be focused on your company's growth?

Technology should not slow you down. You deserve to focus entirely on growing your business without worries.

FileEngine gives you all that you need at a flat-rate price.

No Tricks. No gimmicks. No Worries for \$1 an hour.

For more information visit:
www.FileEngine.com

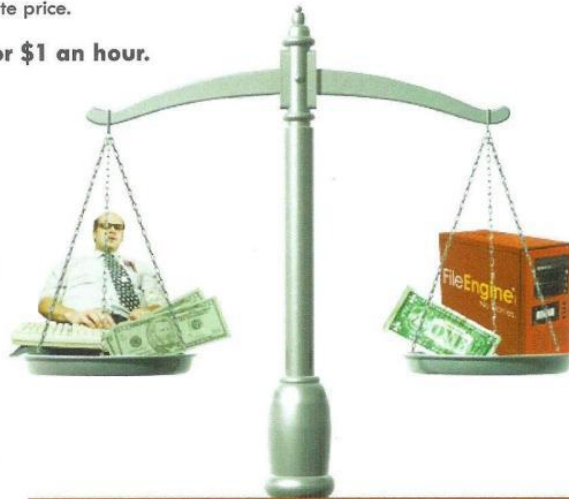

Or Call: (888) 546-8979

Everything you need:

- Hardware
